### **Volunteers to Help Plant Five New Trees in West Valley City**

**WHAT:** Five new trees will be planted along 6200 South.

**WHEN:** Wednesday, October 19, 2011, 4:00 p.m.

**WHERE:** On the south side of 6200 South from 6100 West to 6200 West.

**WHO:** The media and general public are invited to attend.

**WHY:** As part of an Eagle Scout project, five trees will be planted to serve as a screen for the increasing traffic along 6200 South to benefit the adjacent neighborhoods. In an effort to promote tree diversity, three underused tree species will be planted including Chitalpas, Serbian Spruces and Redpointe Maple. The new trees will also count toward Salt Lake County's Million Tree Program.

West Valley City Parks and Recreation staff will be on hand to assist in the project.
